ASSIGNMENT

WHEREAS, Yang Gao, hereinafter called the "Assignor", has made the invention described in the United States patent application entitled SYSTEM FOR IMPROVED USE OF PITCH ENHANCEMENT WITH SUBCODEBOOKS, for which a declaration was made on the same day as this assignment, said invention also described in provisional application serial number 60/232,938, filed on September 15, 2000, and also entitled SYSTEM FOR IMPROVED USE OF PITCH ENHANCEMENT WITH SUBCODEBOOKS;

WHEREAS Conexant Systems, Inc., a corporation of Delaware having a place of business at 4311 Jamboree Road, Newport Beach, CA 92660-3095, hereinafter called the Assignee, desires to acquire the entire right, title, and interest in and to the invention and the patent applications identified above, and all patents which may be obtained for said invention, as set forth below;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent applications identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patent applications identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in

vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
